Employment Agreement

Fictional document written for a portfolio demonstration (Margin, by David Bitan). It has no legal value. Brevholt Kelmarion, its people and its addresses are invented.

This Employment Agreement (the "Agreement") is made on 3 November 2026 between:

(1) Brevholt Kelmarion Studio B.V., a private limited company registered in the Netherlands under number 00000000, with its registered office at Keizersgracht 000, 1015 AA Amsterdam ("Brevholt Kelmarion", "the Company" or "we"); and

(2) Alex Morgan, residing at the address recorded in the Company's personnel file ("the Employee" or "you").

Brevholt Kelmarion and the Employee are together referred to as "the Parties". This document is entirely fictional. It was written for a portfolio demonstration and has no legal value. Any resemblance to a real company or person is coincidental.

The Parties agree as follows:

1. Definitions and interpretation

1.1 In this Agreement, "Confidential Information" means any information, in any form, relating to the business, clients, prices, methods, designs, software, finances or personnel of the Company or any Group Company, whether or not marked as confidential.

1.2 "Group Company" means the Company and any entity that controls, is controlled by or is under common control with the Company, now or in the future.

1.3 "Work Product" means all designs, drawings, prototypes, code, text, images, ideas, methods and other materials created, developed or contributed to by the Employee, alone or with others, that relate in any way to the actual or reasonably anticipated business of the Company.

1.4 Headings are for convenience only. Words in the singular include the plural and the other way around. A reference to a policy is a reference to that policy as amended from time to time by the Company.

2. Position and start date

2.1 The Employee is employed as Senior Product Designer, reporting to the Head of Design, starting on 1 December 2026 (the "Start Date").

2.2 The Employee's duties are those normally associated with the position, together with any other reasonable duties the Company may assign from time to time, including duties outside the Employee's usual field where the needs of the business so require.

2.3 The Company may change the Employee's title, team or reporting line at its discretion, provided the overall level of the position is not materially reduced.

2.4 This Agreement is entered into for an indefinite period, subject to the probation period in clause 3 and the termination provisions in clause 16.

3. Probation period

3.1 The first 2 months of employment are a probation period. During probation, either Party may end the employment with immediate effect, without notice and without compensation.

3.2 Benefits linked to length of service, including the learning budget in clause 11 and the bonus in clause 5.4, only become available after the probation period has been completed.

4. Place of work

4.1 The Employee's main place of work is the Company's studio in Amsterdam. The Employee is expected in the studio on Tuesdays and Thursdays and may work remotely on other days, in line with the Remote Work Policy.

4.2 The Company may require the Employee to work, temporarily or permanently, at any other office of the Company or a Group Company within the Netherlands. Where the new place of work is more than 50 kilometres from the current one, the Company will give at least 1 month's notice.

4.3 Working from another country is limited to 30 days per calendar year and requires prior written approval from People Ops. Any tax, social security or immigration costs caused by unapproved work abroad will be borne by the Employee.

4.4 The Employee may be asked to travel for client meetings, workshops and events. Travel time outside normal working hours is not treated as working time, except for travel on a public holiday.

5. Salary and bonus

5.1 The Employee will receive a gross annual salary of €68,000, paid in 12 equal monthly instalments on or around the 25th day of each month.

5.2 In addition, the Employee is entitled to a holiday allowance of 8% of the gross annual salary, paid once a year in May.

5.3 The salary is reviewed once a year in March. A review does not create a right to an increase.

5.4 The Employee may be eligible for an annual bonus of up to 10% of the gross annual salary. The bonus is entirely discretionary: its payment, amount and conditions are decided by the Company each year. No bonus is payable if, on the payment date, the Employee has given or received notice of termination, or is no longer employed by the Company.

5.5 The Company may deduct from the salary, the holiday allowance or any final payment any amount the Employee owes to the Company, including overpaid salary, unreturned equipment and repayable training costs, to the extent permitted by law.

6. Working hours and overtime

6.1 Normal working hours are 40 hours per week, Monday to Friday, with core hours between 10:00 and 16:00 during which the Employee must be reachable.

6.2 Given the nature of the position, the Employee agrees to work additional hours when reasonably required by the business. The salary in clause 5.1 includes compensation for up to 20 hours of overtime per month. Overtime above this limit is compensated with time off in lieu, not with payment, and must be taken within 3 months.

6.3 Outside working hours, the Employee is not expected to reply to messages, except in a client emergency declared by the Head of Design.

7. Holidays

7.1 The Employee is entitled to 27 working days of paid holiday per calendar year, on top of Dutch public holidays. In the first and last year of employment, holidays are calculated pro rata.

7.2 Holidays must be requested in the Hours app at least 2 weeks in advance for any period longer than 3 days. The Company may refuse or move holidays for serious business reasons.

7.3 Up to 5 unused days may be carried over to the next year. Carried-over days must be taken before 31 March and expire after that date, to the extent permitted by law. Days

beyond the statutory minimum are not paid out at the end of employment if they could reasonably have been taken.

7.4 The Company may designate up to 3 days per year as collective days off, announced at least 2 months in advance, which are deducted from the Employee's holiday entitlement.

8. Sickness

8.1 In case of illness, the Employee must inform their manager before 10:00 on the first day of absence and follow the instructions of the Company's occupational health service.

8.2 During illness, the Company pays 100% of the salary for the first 52 weeks and 70% for the following 52 weeks, within the limits set by law. No salary is paid for the first day of each period of illness after the third such period in a calendar year.

8.3 The Employee must be available at home for checks by the occupational health service during the first 2 weeks of illness, unless agreed otherwise.

9. Expenses and equipment

9.1 The Company reimburses reasonable business expenses made with prior approval, against receipts uploaded in the Tally app within 30 days. Expenses submitted later are not reimbursed.

9.2 The Employee receives a laptop and a phone, which remain the property of the Company. They may be used for limited personal purposes. The Company may access, monitor and wipe these devices remotely, including any personal data stored on them, for security reasons.

9.3 The Employee is responsible for taking reasonable care of the equipment. In case of loss or damage caused by gross negligence, the Company may charge the Employee up to €1,500 per event.

9.4 On the last working day, or earlier at the Company's request, the Employee must return all equipment, documents and access badges. The value of any item not returned within 5 working days may be deducted from the final payment.

10. Pension and benefits

10.1 The Employee will join the Company's pension scheme from the Start Date. The Company pays 60% of the premium and the Employee 40%, deducted from the salary each month.

10.2 The Employee receives a one-off home-office budget of €600 and a monthly internet allowance of €30.

10.3 The Company may change or end the benefits in this clause, other than the pension scheme, with 3 months' notice, for example if a benefit becomes disproportionately expensive or is no longer used.

11. Training and repayment

11.1 After probation, the Employee has a learning budget of €1,200 per calendar year for courses, books and conferences. Unused budget does not roll over.

11.2 Where the Company pays for a training course costing more than €1,000, the Employee agrees to repay the costs if the employment ends within 24 months after the end of the course, at the Employee's request or because of the Employee's serious misconduct, as follows: 100% if it ends within 12 months, and 50% if it ends between 12 and 24 months.

11.3 Repayment does not apply to training that the Company is required by law to provide.

12. Confidentiality

12.1 During and after the employment, without limit in time, the Employee must keep all Confidential Information secret and may only use it to perform their duties.

12.2 The Employee may not post about clients, projects or colleagues on social media, in a portfolio or in public talks without the prior written consent of the Company. Consent for portfolio use may be refused without giving reasons, and may be withdrawn at any time.

12.3 For each breach of this clause, the Employee will owe the Company an immediately payable penalty of €10,000, plus €1,000 for each day the breach continues, without any notice being required. The Company keeps the right to claim full damages instead of the penalty.

13. Intellectual property

13.1 All intellectual property rights in the Work Product belong to the Company, including Work Product created outside working hours or with the Employee's own equipment, where it relates to the actual or reasonably anticipated business of the Company.

13.2 The salary includes fair compensation for the transfer of these rights. The Employee waives, to the extent permitted by law, any moral rights, including the right to be named as the author.

13.3 The Employee will sign any document needed to confirm or register the Company's rights, during and after the employment.

14. Non-compete and non-solicitation

14.1 For 12 months after the end of the employment, the Employee may not, directly or indirectly, work for, advise or invest in any business that offers design or product services competing with the Company, anywhere in the European Union.

14.2 For 12 months after the end of the employment, the Employee may not work for, or solicit, any client of the Company with whom the Employee had contact in the last 2 years of the employment, nor encourage any employee of the Company to leave.

14.3 For each breach of this clause, the Employee will owe a penalty of €5,000 per breach, plus €500 for each day the breach continues.

15. Other work and side projects

15.1 The Employee may only take on paid or unpaid work for others, including freelance work and teaching, with the prior written consent of the Company. Consent will not be withheld unreasonably for activities that do not compete with the Company or affect the Employee's performance.

15.2 Personal side projects unrelated to the Company's business are allowed outside working hours, but must be declared to the Head of Design before they start.

16. Termination

16.1 After probation, either Party may terminate the employment in writing, effective at the end of a calendar month. The notice period for the Employee is 2 months. The notice period for the Company is the period required by law.

16.2 During the notice period, the Company may release the Employee from work (garden leave), with continued payment of the salary. During garden leave, the Employee must remain available and may not start working for anyone else.

16.3 The Company may terminate the employment with immediate effect for an urgent reason within the meaning of the law, including serious breach of clauses 12, 13 or 14.

16.4 The employment ends automatically, without notice, on the date the Employee reaches the state pension age.

17. Personal data and monitoring

17.1 The Company processes the Employee's personal data for the purposes of the employment, payroll, security and legal obligations, as described in the Employee Privacy Notice.

17.2 For security reasons, the Company may log and review the use of company accounts, email, messaging tools and devices. Reviews are carried out only when there is a specific reason and in line with applicable law.

17.3 Personnel records are kept for 7 years after the end of the employment, unless the law requires a different period.

18. Changes to this Agreement

18.1 The Company may change the terms of this Agreement unilaterally where it has a substantial interest in doing so that outweighs the Employee's interest, to the extent permitted by law.

18.2 Company policies, including the Handbook, the Remote Work Policy and the Expenses Policy, form part of this Agreement and may be changed by the Company at any time after informing the Employee.

19. Final provisions

19.1 This Agreement replaces all earlier agreements, offers and promises, written or verbal, between the Parties.

19.2 If a provision of this Agreement is invalid, the other provisions remain in force and the Parties will replace the invalid provision with a valid one that comes as close as possible to its purpose.

19.3 This Agreement is governed by Dutch law. Disputes will be submitted exclusively to the competent court in Amsterdam.

19.4 The Employee confirms having received, read and understood this Agreement and the policies referred to in it, and having had the opportunity to ask for independent advice before signing.

Signed in two copies in Amsterdam on 3 November 2026.

The Employee — Name: Alex Morgan — Signature: _____

Annex A — Employee Handbook (extract)

The following extract of the Employee Handbook, version 2026.1, applies to the Employee and forms part of this Agreement (clause 18.2). Where the Handbook and this Agreement differ, this Agreement prevails.

1. Time off

Annual leave

Everyone at Brevholt Kelmarion gets 27 days of paid annual leave per calendar year, on top of public holidays. Part-time colleagues get the same number of days pro rata.

What changed in 2026

Annual leave went up from 25 to 27 days on 12 January 2026. Carry-over went up from 3 to 5 days.

Public holidays

We follow the public holidays of the country in your contract: the Netherlands for Amsterdam, Portugal for Lisbon. You may swap one public holiday a year for another day that matters to you.

Carry-over

You can carry up to 5 unused days into the next year. Carried-over days must be used by 31 March, after which they expire without payment.

Booking days off

Book time off in the Hours app at least 2 weeks ahead for anything longer than 3 days. Your lead approves within 2 working days. For single days, a day's notice is fine.

Unpaid leave

After one year at Brevholt Kelmarion you can ask for up to 4 weeks of unpaid leave per year. Talk to your lead first, then People Ops confirms in writing.

2. Remote and hybrid work

Office days

Teams meet in the studio two days a week, Tuesday and Thursday. The other days you choose where you work.

Working from abroad

You can work from another country for up to 30 days per year. Ask People Ops at least 3 weeks before, because some countries need a permit even for short stays.

Core hours

Be reachable between 10:00 and 16:00 in your contract's time zone. Outside core hours, nobody expects a reply.

3. Expenses

Meals when travelling

On a work trip, meals are covered up to €45 per day. Alcohol is not covered, except at client dinners approved by your lead.

Hotels

Book hotels through Travelbase. The nightly cap is €160 in most cities and €220 in London, Paris, New York and Zurich.

Receipts

Upload receipts in the Tally app within 30 days. Expenses without a receipt are not refunded, except taxis under €20.

Getting paid back

Approved expenses are paid with your next salary. Anything above €1,000 needs approval from Finance before you spend it.

4. Equipment

Laptops

You get a laptop on your first day. It is replaced every 3 years, or sooner if it breaks. Personal laptops cannot be used for client work.

Home-office budget

Every new colleague gets a one-off home-office budget of €600 for a chair, desk, screen or lighting. The items are yours to keep.

Lost equipment

Report broken or lost equipment to IT within 24 hours. If you lose a laptop through clear carelessness, Brevholt Kelmarion may ask you to pay up to €300 towards a new one.

5. Family and health

Parental leave

The birth parent gets 20 weeks of leave at full pay. Partners and adoptive parents get 12 weeks at full pay, to take within the first year.

Calling in sick

Tell your lead before 10:00 on the first day, by message or phone. No reason is needed. From the 4th day in a row, a doctor's note is needed.

Support line

Everyone can use Openwell, a confidential support line with 6 free sessions a year with a counsellor. Brevholt Kelmarion never sees who uses it.

Sick children

If your child is ill, you can take up to 5 paid care days a year.

6. Learning

Yearly budget

Each person has €1,200 per year for courses, books and conferences. The budget does not roll over to the next year.

Paying back training

If you leave Brevholt Kelmarion within 12 months after a course that cost more than €1,000, you pay back half of its cost.

7. Joining and leaving

Probation

The first 2 months are a probation period. During probation, either side can end the contract with 1 week's notice.

Notice period

After probation, the notice period is 2 months, for you and for Brevholt Kelmarion. It starts on the first day of the next month.

Side projects

You may work on side projects outside working hours, as long as they do not compete with a Brevholt Kelmarion client. Tell your lead before you start.
